

...Strength in Numbers

The Society of Professional Accountants

CONGRATULATIONS to SPA member Steve Collings who has been awarded the Accounting Technician of the Year at the British Accountancy Awards 2011.

The judges said: "Not only did Steve excel above and beyond the call of duty in his day job but he also managed to write highly successful books. He is clearly a dedicated man who worked tirelessly to raise the standards and professionalism of his part of the industry."

We entirely agree with this and we are proud to have him as a member. Steve also writes articles for the accountancy media which he has freely provided to SPA to send to members, he is one of SPA's Audit compliance consultants and was one of the presenters at SPA's Audit Conference last year.

This award is a significant achievement – it would be impressive for someone to achieve this before they retired, but Steve is not yet 40! WELL DONE!
